May 25, 2023

FOR IMMEDIATE RELEASE.

A boil order has been issued by the Curran-Gardner Townships Public Water District for the following service area(s):

There will be a boil order in effect for Curran Gardner Townships Public Water District customers living on:

Frontier Lake Drive, Hazlett Road and Settlers Lane

in Springfield until further notice due to repair work on a water main.

This is necessary due to a water main repair on Hazlett Road, Springfield, IL

If you live on these streets and were out of service this afternoon (Thursday, May 25, 2023) you should bring water that will be used **for cooking or drinking purposes** to a rolling boil for 5-7 minutes before use.

This order will be in effect until further notice once service is restored.

WARNING: Although we know that none of our water mains and service lines up to the meters in this area have any Lead content we are now required by state regulations to request our customers to flush their water lines and clean their faucet's aerator screens after water service is restored to remove any sediment stirred up during the water main repairs. Possible dangers of Lead in young children include: Behavior and learning problems, lower IQ and hyperactivity, slowed growth, hearing problems, and anemia.

The Sangamon County Department of Public Health is also receiving this notice.

Contact information:

Aaron Smith, Operations Manager 217-546-3981

Cherril Graff, Business Manager 217-546-3981 (8:00 am to 3:30 pm)
