

NOTICE of PUBLIC HEARING

Preliminary Environmental Impacts Determination (PEID)

Notice is hereby given to all residents, property owners, and water system users of the Curran Gardner Townships Public Water District, Springfield, Illinois that a Public Hearing will be held at the Water District, located at 3384 Hazlett Road Springfield IL on August 13 at 6:30 pm.

Under project L176294 the Water District proposes there are 2 HDPE PVC pipe bores under the Sangamon River for data, power, and 12" raw water main; an improved well access road to connect the current access road to well 7 and then well 7 to well 1; an auxiliary generator; an automatic transfer switch (ATS); and a transformer bank to supply and control back up power to the wells. This Public Notice is to provide an opportunity for the public to provide comments on the Water District's proposed construction. The Project Summary and Preliminary Environmental Impacts Determination document provided by the Illinois Environmental Protection Agency (Illinois EPA) are available for review at Water District, 3384 Hazlett Road, Springfield, IL 62707. The document contains information including the location, user rate impacts, and potential environmental impacts. The estimated cost for the project is \$1,679,000.

This Notice is to provide access to the documents and to satisfy Section 662.530 of the Illinois Procedures for Issuing Loans from the Public Water Supply Program from the Illinois EPA. These documents will be on file at the Water District for 10 days after the Public Hearing to allow for public comment. Written comments can be submitted to the Water District or directly to Mr. Bryan Smith at the Illinois EPA, Infrastructure Financial Assistance Section, P.O. Box 19276, Springfield, Illinois 62794-9276.
