

### **IT'S CONSUMER CONFIDENCE REPORT TIME AGAIN!!**

Each year we provide you our customers with an updated Consumer Confidence Report (also known as the Annual Water Quality Report). This report contains important information about your water supply such as where we obtain your water, a source water assessment of your water, and other educational materials. It also shows the contaminants found in your drinking water during 2022 and the levels of each. We are happy to announce that all contaminants are well below the allowed limits. Additionally, **NO Lead** was found in any of our samples collected in 2022. We want to point this out since Lead in drinking water has been in the news so often recently.

To view this year's Consumer Confidence Report you can go to the following url:

**Curran-Gardner:**

<https://www.currangardner.com/CGCCR2022>

**CWLP:**

<https://www.currangardner.com/CWLPCR2022>

**SSWC:**

<https://www.currangardner.com/SSWCCR2022>

If you would like to receive a hard-copy of this report, please stop by our business office during regular business hours (8:00 am to 3:30 pm) or call 217-546-3981 and a copy will be mailed to you. Any questions may be directed to Operations Manager Aaron Smith 217/546-3981.

### **SEWER DISTRICT RATE INCREASE**

As the billing agent for the SCWRD we have been notified by the sanitary district of a rate increase. The following rate increase will be effective May 1, 2023.

SCWRD Monthly Service Charge	\$13.95
User fee per 1000 gallons	\$ 8.69

If you have any questions, please call the sewer district at 217/528-0491.

### **VILLAGE OF CURRAN SEWER INCREASE**

We have been notified by the Village of Curran that there will be a rate increase effective May 1, 2023

Residential minimum flat rate	\$63.96
Every 1,000 after first 2,000	\$ 9.69
Business minimum flat rate	\$86.26
Every 1,000 after first 2,000	\$ 9.69

### **EPA SURVEY**

Thank you to customers that have completed the survey. There are many that have not been completed, please do so. If you are unable to access the internet, call us at 217/546-3981 and we will be happy to complete the survey for you.

## **HYDRANT FLUSHING IN MAY, 2023**

The Curran-Gardner Townships Public Water District staff will be flushing the hydrants in our distribution system throughout the month of May, 2023. This is done to remove any sediment buildup as well as allowing us to check our hydrants for proper operation.

Flushing will sometimes cause your drinking water to become cloudy but it should clear up in a short time. We ask that you run your water to check for water clarity before washing clothing. Your water pressure may also be lower during the flushing in your area but will return to normal when flushing is completed.

Please call Operations Manager Aaron Smith at 217/546-3981 with any questions regarding this notice. Thank you!

### **Monthly Board Meetings**

Monthly meetings are held on the second Tuesday of each month at 7:00pm. The public is welcome. If you cannot join us, the minutes are located on our website at [www.currangardner.com](http://www.currangardner.com)

District Administrative Office:  
3384 Hazlett Road, Springfield, IL 62707
